### PARENTAL CONSENT FORM

During the course of the school year, all classes undertake a variety of different activities outside the school premises. In this once off form, we ask your permission for your child to participate in certain activities. In order to cut down on paper we have included as many permissions as possible on one sheet. Please read carefully each of the items listed below and tick the relevant box. Not all items may be relevant to your child this year, but they probably will at some stage in the future. Should you have any questions regarding any of the items below, please feel free to contact the class teacher or principal.

<b>I hereby give permission for my child in relation to the following:</b>	<b>Yes</b>	<b>No</b>
Go on school tours, local educational visits/field trips, swimming, competitions, projects, support group and individual classes and participate in other activities (e.g. sport (hurling, football, camogie), quizzes, choir etc.) outside of school premises. When we take the children on these outings, we increase the level of supervision to meet the needs of the particular activity.		
We are in the fortunate position of having three support Teachers in Scoil Bhride NS, Lisdowney i.e. shared Learning Support Teacher, part-time Resource Teacher and a Special Class Teacher. We wish to make optimum use of all teaching time of these teachers to ensure that all children will benefit from their support. At different stages throughout the year children may have the opportunity to attend support teaching in a class, group or individual setting. These classes benefit individual needs and equally group work and also social interactions and thus enhance all learning in school.		
On occasions such as Communion, Confirmation, Plays and other school events, local press photographers/videographers take group photos/videos of children in some instances identify the children by name. Do you agree to the school using your child's image/video in this way? (Please remember that removing a child from a photo/video of the rest of the class can be quite upsetting for the child). (These videos may only be sold to parents of children in the school). At these occasions we would like to remind you to seek permission from parents of other children before uploading images or photos of them on social media.		
Images of your child and his/her work may appear on our website. Images may be of individuals or groups. Only your child's first name will be used if at all. Do you agree to the school using your child's image and first name in this way?		
Should your child injure themselves during the school day such as falling in the yard, etc. Do you give permission for a staff member to provide basic first aid? You will be notified of any serious injury.		
As part of our school's ICT programme, we offer pupil's supervised access to the Internet. We have developed an Acceptable Usage policy which can be viewed on our website or requested from the school. Please read the AU Policy carefully.		
Screening Tests are carried out in the school on all children from Infants to 6 <sup>th</sup> Class. These tests will be a routine part of my child's time in this school.		
During your child's time in Scoil Bhride, it may be necessary from time-to-time for teachers to carry out diagnostic testing with your child on an individual basis in order to help them in their educational development.		
SPHE is part of the primary school curriculum. It is mandatory for schools to teach topics and provide information to pupils under the Stay Safe and RSE (Relationship and Sexuality education) programme.		
To allow my family details (name, address, date of birth etc.) to be given to agencies such as HSE (school nurse, doctor dentist) etc.		
To participate in classes held by visiting coaches such as GAA, Soccer, Gymnastics. Classes will at all times be supervised by class teacher.		
To participate in Virtual Classes – e.g. Heritage in schools.
